

Non NHS Fees 2024 (as of 19/04/24)

Patients are advised that General Practitioners are entitled to charge for the following non NHS services. We do not accept credit/debit cards or cheques.

- Please allow at least 28 days to process your request.
- Payment by cash in advance of work commencing.
- If you require an appointment with a GP then this will be arranged outside of NHS time.
- #All costs are estimates, where you will be contacted prior to starting the work if the cost is more than what is stated below.
- Requests for letters to outside agencies must be put in writing using the pro-forma available from the reception/practice website. This ensures that the GP is aware of what information is required but also for what purpose.
